## TATTON PARK AND MANSION

Knutsford, Cheshire

Our journey to Tatton Park takes us through a part of Cheshire still unspoilt and peaceful, passing through old hamlets and villages with the black and white house and thatched cottages. On arrival at Tatton Park, ample time will be given to explore the park and visit the Mansion.

Tatton Park is a great attraction for groups of all interests. The 1000 acres of parkland are home to 2 herds of deer.

The Neo-Classical Mansion was the home to the Egerton Family from the early 18<sup>th</sup> century and gives an evocative picture of a well-ordered and sophisticated country house. The staterooms feature the original fine art furnishings, china and glass, offering an interesting contrast with the austerity of the servants' quarters.

For lunch, visit the Stables Restaurant in the old stables yard. The restaurant offers a wide range of hot and cold dishes in all season using the freshest ingredients from local supplies and Tatton's estate.
