THE ANDERTON BOAT LIFT

RIVER WEAVER CRUISE PLUS
ANDERTON BOAT LIFT

THE STANLEY ARMS, ANDERTON
BLAKEMERE CRAFT CENTRE

Enjoy a boating experience in the newly restored Victorian Anderton boat lift. The water lift takes craft up and down from the Trent and Mersey canal to the river Weaver. Once ascending to the river weaver, enjoy a 40 minute cruise, this is a round trip from Anderton boat lift to Northwich Town Swing Bridge. This pleasurable cruise introduces passengers to local history and wildlife along the way.

We make our lunch stop at the canalside Stanley Arms, next to the Anderton lift. Whether it's a stroll along the Trent & Mersey canal then a refreshing beer in the spectacular beer garden or a cosy corner inside to have a hearty meal & glass of wine, the Stanley Arms is your perfect pitstop.

Later we will visit Blakemere Craft Centre. A recipe of relaxed and unique shopping set in and around a beautiful Edwardian stable block and cobbled courtyard, home to numerous craft shops offering gifts galore beautifully handcrafted.

To book, please call 01244 300799 with details of your requirements, including the number in your party (15 – 50 passengers). We will quote a price for the coach hire and advise you of any additional or optional costs, e.g. entrance fees.
